7) New Business  
   a) Parliament Bill #2016-XX-XX: IRHA Sound System  
      i) Read in by author BLF Claire  
      ii) Friley Katie: []  
      iii) Aaron: You said this was bare minimum? What should we get?  
           (1) Scott: This is a good amount of stuff to get at this point. We could get more mics, stands, etc., but we can build in years to come as well  
           iv) *Scott was answering questions, so these minutes are not complete*
   b) Parliament Bill #2016-XX-XX: Helser T-Shirts  
      i) Read in by author Helser Lucas  
      ii) Exec Aaron: Helser came to IRHA last year and I believe we funded it. Is it your intent to bring us a bill like this every year?  
           (1) Lucas: I don’t know what we funded last year, but these are long term things.  
           (2) Jackson Larch: Have you looked into funding this yourself?  
               (a) Lucas. Yes, but I don’t think we have enough to cover it  
           (3) Helser Araceli: We want to continue having other events  
           (4) Jackson Larch: Could you ask students to pay for the shirts?  
               (a) Helser Araceli: Not really. Some students wouldn’t be able to afford them and would be left out of the community  
           (5) MU Brad: I like this idea a lot. T-shirts are great
8) Open Forum  
   a) Exec Aaron: I’ll be around after if you want a tour of Geoffroy  
   b) At-Large Leyton: Be careful tomorrow. The weather has drastically changed.
c) WW Dee: Two things. One. Is anyone able to explain what the IRHA at-large positions is and how it started and who they represent?
   i) Jacob: I started as an At-Large representative. At-Large reps are able to get opinions of many res hall students without being tied to a constituency.
   ii) Logan: As an at-large, I would be able to get a lot of opinions from different groups, rather than being constrained to one residence hall.
   iii) Kay: I also hit a bunch of different halls outside of my own hall.
   iv) Leyton: An At-Large is another person who gets to bring out other perspectives. A lot of us are return students and we can bring a bunch of different thoughts to the table. We have a bit more latitude.

d) WW Dee: I am new VP of a StuOrg named MANORS (sp). I wanted to extend an invitation to you all. Just let them know what we do and what we are.

e) Friley Katie: We are having a cool event on Sunday at 3:00pm in Friley Dungeons. You can bring a bottle and plant stuff. Cool recycling event.

9) Student Government Report
   a) StuGov Sam: We had a quick meeting last night
   b) Yash: We had the MU presentation
   c) Yash: We had the annual allocations process. All internal stuff
   d) Yash: We funded ski trip and wrestling. Both teams selected for nationals
   e) Yash: A lot of grad students give examinations and they don’t get a lot of preparation for it. We are going to talk about a bill where we would fund the betterment of the examination and provide training.
   f) Yash: We approved election apportionments (finalize number of senate seats)
   g) Sam: After the meeting, a bunch of us went to Perfect Games and had fun. It can be a fun way to de-stress after a meeting and get to know each other better.

     (1) WW Dee: I there anything to do besides ice skate?
     (a) Not really, but you can socialize with people.
d) Finance
   i) Trey: As finance director, I can change any line item in the IRHA budget (<= $500). I am transferring approx. $250 from leadership development to house president retreat account. That is to cover a balance overflow from a while back. Leadership will also be planning to use about $1,200 for the banquet, so look for a bill coming up about that to make that transfer of funds.

   i) We would start 17-22. Just shift it by a day
